YOUR DOLLARS AT WORK

Gifts to the United Way help 1 out of every 3 people in our community!

Your generous contributions continue to improve the lives of local individuals and families, funding programs that help the needy in our area achieve economic self-sufficiency and supporting those living in vulnerable situations, including seniors and the abused. Your efforts also provide children and youth with the tools necessary to achieve goals that they otherwise may never reach.

INVESTING IN FAMILIES

Six years ago, we introduced our Investing in Families Initiative to provide additional funding to programs and organizations reaching out to families in need. Through your generosity, our Community Impact Grant Program supported local organizations and programs helping needy individuals and families throughout Greater Fall River. Your increased support and generosity will help us to continue to fund this initiative.
