GIFTS TO UNITED WAY HELP 1 OUT OF EVERY 3 PEOPLE IN OUR COMMUNITY!

Your generous contributions continue to improve the lives of local individuals and families, funding programs that help the needy in our area achieve economic self-sufficiency and supporting those living in vulnerable situations, including seniors and the abused. Your efforts also provide children and youth with the tools necessary to achieve goals that they otherwise may never reach.

INVESTING IN FAMILIES

Seven years ago, we introduced our Investing in Families Initiative to provide additional funding to programs and organizations reaching out to families in need. Through your generosity, our Community Impact Grant Program supports local organizations and programs helping needy individuals and families throughout Greater Fall River. Your increased support and generosity will help us to continue to fund this initiative.

LIVE UNITED™

Every day, United Way of Greater Fall River is working to advance the common good by building on community strengths and assets to identify and resolve pressing issues in our community. Our goal is to create long-lasting changes that prevent problems from happening in the first place.

Underneath everything we are, underneath everything we do, we are all people. Connected, Interdependent, United. And when we reach out a hand to one, we influence the condition of all.

LIVE UNITED is more than a slogan. It's a mission, a credo. It's a call to action. You can make a difference by giving, advocating, or volunteering. Together, united, we can change the lives of those who walk by us every day.

We invite you to be part of the change. Together, we can inspire hope and create opportunities for a better tomorrow.
